

Dear neighbours,

At the moment only solidarity helps.

If you belong to the risk group or are otherwise busy as a result of Corona, I will be happy to help you. I do not belong to this risk group and can therefore help. So if there are things to do (shopping, getting medication, other public activities), I'm happy to help. You can simply call the number below or drop a note in the mailbox.

I am also happy to help if you are new to the area (be it an immigrant or a refugee). If you are affected by the closure of many refugee offers and therefore need help, please contact me.

Together, we will do it!

Kind regards,
